

El Maida Temple Of Shriners Plan For Grand Dress Ball September 29

By OLIVER P. LANSBORN.

MRS. WM. P. SMITH, of Los Angeles, Calif., who says she has completely restored her health when no one believed she would ever be well again. Has gained thirteen pounds.

"I will never stop praising Tangle, for it has restored my health when everyone who knew of my dreadful condition had no idea I would ever get well."

Two years ago, following an accident, I began suffering from indigestion and severe stomach trouble. I grew worse so rapidly that my health soon became perfectly wrecked. My stomach became so weak I couldn't eat the simplest food or even drink a glass of milk without suffering for hours afterward. I was extremely nervous, and would have palpitation of the heart so badly at times I would almost faint. My circulation was very poor. I had no color, and weighed only eighty-five pounds. It seemed I was just gradually starving for days, and I had almost given up hope.

After the best medical treatment failed to help me, I was advised to travel nearly all over the United States and had treatment every place I went, but always with the same disappointing results. How I stood my suffering is more than I can tell, and I became so despondent that life seemed hardly worth living.

It was just the condition I was in when I began taking Tangle. When my husband first suggested Tangle I told him I had no faith in it, but the next day he bought me a bottle, and to my great surprise it seemed to agree with me, so I kept on taking it. The results speak for themselves.

I have gained thirteen pounds in weight, and I feel perfectly well in every way. My appetite is splendid and I eat just as much as I want, never have the slightest symptom of indigestion. I am so happy over the recovery of my health that I feel just like telling everybody about this wonderful medicine.

The above remarkable statement was made recently by Mrs. William P. Smith, a well known and highly respected resident of Los Angeles, Calif., residing at 125 East Avenue 35. Tangle is sold in El Paso by Corbett Drug Co. in Ft. Hancock by Ft. Hancock General Store, and in Fabens by Fabens Drug Co.—Adv.
